Saint Paul Hockey Club is a new outdoor recreational hockey program for girls and boys with some hockey/skating experience in a mite program or the Mighty Kids program who like the game but not the expense and commitment usually related to hockey. You must provide your own helmet, stick, skates, and some pads. Kids will learn hockey skills and safety from qualified coaches who love the game, and organize into small teams to play games. Find out more at stpaulhockey.com.

- Mondays 6:30 pm
- Thursdays 6:30 pm
